During the term of this MOU, the terms and conditions contained herein shall remain in full force and effect and may not be unilaterally modified by either party, except as required by state or federal law, executive order, or judicial mandate. In such cases, the District shall notify the Union and, upon request, meet and confer regarding the impact of the mandated change.

In the event this MOU expires without a successor agreement in place, all wages, hours, and other terms and conditions of employment shall continue in effect to the extent required by law, until a new agreement is reached or the District lawfully implements changes following completion of impasse procedures, including factfinding, pursuant to Government Code § 3505.7.

The District shall notify the Union as soon as practicable and, upon request, meet and confer over the effects of such actions.

SECTION 2

The District shall meet and confer with the Union regarding placement into the bargaining unit in accordance with District rules, applicable law, including Government Code § 3507.1 and relevant PERB precedent. Nothing in this section waives the Union's right to file a unit-modification petition with PERB.

SECTION 3

District Rights

SECTION 3

DISTRICT RIGHTS:

The District retains all rights to manage, direct, and control its operations in all respects, except as such rights are expressly and specifically modified by the terms of this Agreement or any subsequent amendment thereto. These rights include, but are not limited to, the following:

Such changes shall not be implemented until bargaining is completed or the parties have reached lawful impasse in accordance with the MMBA and applicable PERB precedent.

3.11 Nothing in this Agreement shall prevent the District from implementing changes required by federal, state, or local law, regulation, or court decision. The District will meet and confer over negotiable impacts to the extent required by law.

SECTION 5

Bargaining Unit Work

SECTION 5

Bargaining Unit Work:

Bargaining Unit work is work that is defined as being in the job descriptions of the Bargaining Unit classifications. The parties recognize the District's right to contract out work. However, contracting out shall not be used to erode the bargaining unit or diminish opportunities for bargaining unit employees. In no event shall contracting out result in the layoff, displacement of any current bargaining unit member.

- Upon request, the District shall meet and confer with the Union regarding the scope of work, the reasons for contracting out, and any potential impacts on bargaining unit employees.

The District shall make a good-faith effort to explore and consider alternatives proposed by the Union, including training, reassignments, overtime, reclassification, or hiring additional staff. Contracting out of bargaining unit work may occur for reasons including, but not limited to:

- Temporary workload increases or bona fide short-term staffing shortages
- Specialized expertise, equipment, or technology not reasonably available within the bargaining unit
- Cost efficiency or operational necessity
- Emergencies or urgent operational needs where delay would cause significant harm or risk

In all cases, contracting out shall be limited to the minimum duration and scope necessary to address the identified need.

Contracting out shall not be used to avoid hiring bargaining unit employees into permanent positions or to circumvent negotiated wages, benefits, or working conditions. Whenever feasible, the District shall provide opportunities for current employees to receive training or upskilling to perform work that would otherwise be contracted out.

This clause shall not be construed to limit the District's right to determine the methods, means, and personnel by which operations are conducted, provided that such decisions are consistent with the protections and obligations described above.

SECTION 6

Employee Handbook/District Policies

SECTION 6

Employee Handbook/District Policies:

District policies, procedures, and the Employee Handbook shall remain distinct from this MOU. Where there are discrepancies between the two, the language of the MOU shall be the controlling language.

Upon request, the District will meet and confer with the Union prior to implementation of such changes .

In the event of a bona fide emergency that requires immediate action affecting wages, hours, or working conditions, the District may implement necessary changes without prior **meet and confer**. **The District shall notify the Union as soon as practicable and, upon request, meet and confer** over the effects of the change.

For purposes of this provision, an emergency is defined as a sudden, unforeseen situation requiring immediate action to preserve public safety, protect property, or maintain essential operations. This clause shall not be construed to waive the Union's right to bargain over the decision or its effects when time permits.

SECTION 7

New Employee Orientation

SECTION 7

Union Participation in New Hire Orientation (AB 119):

The District shall provide the Union with at least ten (10) days' advance notice of any scheduled new hire orientation, including the date, time, and location.
